SATURDAY, OCT 24, 2015
9AM - NOON

Dog: Have you heard? Garner is offering a Rabies clinic with Rabies vaccines for only \$10 each! Rabies vaccine is required for dogs and cats by the age of FOUR MONTHS.

Cat: I had one as a *purrfect* kitten but it's time again! Each cat needs to be in a HARD SIDED secure carrier and each dog must be on a secure (short) leash.

Dog: If you had a Rabies vaccine no more than ONE YEAR ago, bring that Rabies CERTIFICATE. With this proof a THREE YEAR Rabies vaccine will be given. If you can't find that CERTIFICATE or you have never had a Rabies vaccine, DO NOT WHINE or worry because a ONE YEAR Rabies vaccine will be given.

Cat: The staff of Saving Lives Spay Neuter Clinic is helping Garner to keep us safe and healthy. They are offering \$10 discount at their CLINIC for spay or neuter with presentation of Rabies Certificate from Saturday, Oct 3rd. What a nice deal! * The deal has just been sweetened . . . Microchips for only \$20 !!! Don't miss out!
